EXPERIENCE
COMPLIMENTARY DRIVE PROGRAMME
Land Rover Experience is your chance to be immersed in a world of adventure and capability. Every Experience is hosted by an expert guide, whose wealth of knowledge and gift for a great story will make your day unforgettable. We have seven Experience Centres across the UK, set in some of Britain’s most magnificent countryside, each with a unique story to tell.
SCOTLAND

Set on the banks of Butterstone Loch in Dunkeld, this Centre is surrounded by some of Scotland’s most protected wildlife conservation areas. A Site of Special Scientific Interest (SSSI), it features over 70 miles of upland forest and moorland track: the perfect place for an authentic off-road experience. Keep an eye out for osprey fishing for trout in the loch.
